LABOUR EMPLOYMENT TRAINING & FACTORIES(EMP) DEPARTMENT

G.O.Rt.No. 1248

Dated: 12.08.2009.

Read:-

Minutes of the Meeting held on 7.6.2009 in CM's Camp office.

ORDER:

In the meeting held on 7.6.2009 at Chief Minister's Camp Office, it was decided to establish a Multi Skills Development Centre at Pulivendula, Kadapa district to provide relevant skill based training to a large number of youth enabling them to enhance their employability. It was agreed for inviting Gesellschaft fur Technische Zusammenarbeit GmbH – International Services (GTZ-IS) for its support/ technical co-operation for development of the Centre. The Labour Employment Training & Factories Department was decided to be the nodal agency.

2. Government, after careful examination, hereby accord permission to Gesellschaft fur Technische Zusammenarbeit GmbH – International Services (GTZ-IS) for preparation of Detailed Project Report of the proposed Multi Skills Development Centre at Pulivendula, Kadapa district as part of their support/ technical co-operation for development of the centre.

3. The Principal Secretary to Government, Labour Employment Training & Factories Department and the Regional Director, Gesellschaft fur Technische Zusammenarbeit GmbH – International Services (GTZ-IS) shall sign the Memorandum of Understanding annexed to this order.

4. This order issues with the concurrence of Finance (Expr-LET & F) Department vide their U.O.No.019340/114/Exp-L/09, date 24.7.2009.

(BY ORDER AND IN THE NAME OF THE GOVERNOR OF ANDHRA PRADESH)

SECTION OFFICER

MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (MoU) is made on this _____ day of August, 2009 at Hyderabad (Andhra Pradesh), India between Government of Andhra Pradesh represented by the Principal Secretary to Government, Labour, Employment Training and Factories Department, of the one part and Gesellschaft fur Technische Zusammenarbeit GmbH (GTZ), a fully government owned and incorporated under the laws of Germany, having its registered head office at Dag Hammarskjold Weg 1-5, 65726 Eschborn, Germany which expression shall include its subsidiaries, associates, affiliates, and legal assignees and successors (hereinafter referred to as "GTZ"), of the other part. In the context of this memorandum GTZ is acting through its branch GTZ - International Services (GTZ IS) having Branch Office at S-35-A, Panchsheel Park, New Delhi through its Regional Director Mr.Hans Hermann Dube.

Whereas

- A. The Government of Andhra Pradesh is committed to balanced approach for development and transparency at all levels. The State Government is focusing on furthering the skill development among the rural youth and provides them better job opportunities. State's rapid economic growth has led to a huge demand for vocational skills across traditional as well as new and emerging sectors. Simultaneously, there is a need to ensure that this growth is inclusive, in order to have positive impact on poverty levels.

Alongside a young and growing labour force, there is a huge shortage of skilled manpower, essentially due to gaps in skill availability and skill needs. Accelerating growth and providing productive employment for the continuously increasing labour force is an integral part of the objective of inclusive growth.

In order to actualize the growth potential in an inclusive manner, there is a strong need to improve the "employability" of its labour force by matching the supply with the demand for skills from manufacturing and service sector. The existing infrastructure for this purpose is inadequate and needs strengthening.

- B. GTZ, active for more than 50 years on behalf of the German Government in India, has three main focus areas – Sustainable Economic Development, Energy and Environmental Policy, Conservation and Sustainable use of Natural Resources. A wide range of successfully proven GTZ services in India include reforming vocational training systems to make them more oriented towards the labour market, establishing and expanding of training programs for companies who need specialized workers in the technology field, designing and implementation of teacher training programs, capacity building on all levels of interventions and setting up of suitable training infrastructure including capacity building of staff. GTZ has an expertise of successfully managing Vocational Training & Educational project in 62 countries worldwide.

NOW THEREFORE both the parties are hereby mutually agreed and enter into THIS MEMORANDUM OF UNDERSTANDING. The following shall be the responsibilities of the Labour Employment Training and Factories Department and GTZ-IS to successfully implement the project:-

I. Vision and Objective:

- (a) Establish a long term collaboration between the Government of Andhra Pradesh & GTZ-IS for Development & Operationalisation of Multi Skill Development Centers in State, which would provide employment oriented skill training to rural, tribal and urban youth.
- (b) The key outcomes would be to create sustainable livelihoods to enable rural poverty alleviation of the society.
- (c) The Collaboration shall enable the Skill development programme of the State Government of Andhra Pradesh to have continued and committed access to the technical expertise of the GTZ-IS worldwide which is a wholly owned enterprise of the German Federal Government and thus brings together world-class technical and managerial capabilities as well as best practices especially in the area of skill development.

(P.T.O)

II. The Partnership:

In its pursuit to provide the gainful employment to the rural poor/ young population of the State, Andhra Pradesh Government has invited GTZ-IS for technical cooperation to support the state activities in skill up-gradation. GTZ-IS shall setup a Multi Skills Development Centre (MSDC) and implement the project in the State of Andhra Pradesh.

It is intended that the above mentioned assignment will be finalized in next 60 days based on mutual discussions and agreement.

III. The following Action Plan has been agreed by both the parties:

1. GTZ-IS technical team will undertake Fact Finding mission to the project site at Pulivendula and conduct consultation meeting with the local stakeholders.
2. The Labour Employment Training and Factories Department shall visit some of the centers developed by GTZ in India. Possible center could be CRISP (Centre for Research and Industrial Staff Performance), Bhopal. It is important to develop a common understanding and vision for the project.
3. GTZ-IS shall organize a round table with the designated Departments for their inputs and vision.
4. Based on local demands and inputs from stakeholders, GTZ-IS shall prepare a full technical and financial offer detailed with technical courses, management structure and institutional sustainability plan.
5. The technical offer shall be validated with the stakeholders including line Departments through a validation seminar in Hyderabad. With the inputs from the validation workshop, the technical offer shall be finalized by GTZ-IS and accepted by the line Ministry.
6. The accepted proposal shall be presented by Mr. Hans Harman Dube, Regional Director, South Asia, GTZ-IS along with technical team to the Hon'ble C.M. for visionary inputs and approval.
7. The Labour, Employment, Training and Factories Department shall issue the contract to GTZ-IS for a project implementation after the approval of the technical and financial offer to develop and manage the MSDC center at Pulivendula, Kadapa district, Andhra Pradesh for 4 years.

This Memorandum of Understanding is made to facilitate GTZ IS for the execution of the above project in the State of Andhra Pradesh.
